Dear EcoThaili,

You have been officially selected to compete at the **Hult Prize Bangkok 2024 Summit** hosted in partnership with **Chulalongkorn University on June 21st - 24th, 2024.**

Out of the 10,000 teams from 100+ countries that started the 2024 competition, only 360 startups will continue to the Hult Prize 2024 Summits. This selection highlights your startup's exceptional potential to make a significant impact on the UN Sustainable Development Goals. Your achievement is remarkable and sets you on the path to potentially win 1,000,000 USD of startup capital. Embrace this opportunity; it's not only a life-changing experience but also a testament to your dedication and potential.

As an invited startup, you have a few required action items to complete in the next few days so let's get to work!

Action items

1. **Accept your summit invitation via this [Bangkok Summit Acceptance Form](#) by April 11th, at 11:59 pm GMT.** If you do not confirm in time, the opportunity will immediately be given to another startup on our waitlist without notice. This form must only be completed by your team captain once. Summit transfers are extremely limited and we cannot guarantee your request can be fulfilled. A Hult Prize representative will be calling your team captain shortly, please make sure to keep an eye out for our call. The number will start with +1 (402) XXXXXXXX.

2. **Upload your required summit submissions via [AcceleratorApp](#) by April 30th, 11:59 PM GMT.** This is mandatory for all competitors and failure to submit on time will result in the cancellation of your invitation. You are required to write up a business plan using our provided template [here](#) and using your team captain's existing login on the AcceleratorApp submission portal.
3. **Confirm your ability to travel to your assigned summit via the [Travel Confirmation Form](#) by May 10th, at 11:59 pm GMT.** You will be required to upload a form of travel or booked itinerary which can be one of the following: your flight ticket, hotel booked, visa granted, etc. This form must only be completed by your team captain once.

What's next?:

- **Once you accept your summit invitation,** you will receive your Summit City Welcome Guide which will provide you with the summit agenda, pre-arrival travel tips, and participation guidelines.
- **Once confirm your travel,** you will be onboarded to a communication platform, which could either be Slack/WhatsApp Community, and be introduced to a designated startup coordinator for your summit.

Resources available for you

The following tools are available to help you make the most out of your preparation time before your Summit:

Dear Samip,

We are so proud of the amazing job that you have done as a Campus Director and are excited to invite you to attend one of the **Hult Prize Global Summits in June**. 🚀 ✨

In order to be eligible to attend one of the summits you would have needed to:

1. Host a local competition with at least 5 startups. Your winning team or runner-up would have also needed to complete and submit their application to Hult Prize.
2. Ensure program continuity by:
 - a. Selecting to continue as Campus Director
 - b. Nominating a Successor
 - c. Passing the program to a university representative or organization to run.

Capacity at our Summits is limited so while we'll do our best to accommodate your preferences, allocations will be made based on availability and order of responses. If you are already attending one of the summits as a volunteer, you do not need to complete the Summit Interest Form. *** Hult Prize does not provide financial support in traveling to Summits. You are responsible for the full cost of the trip.**

We will follow up with your allocated summit the week of April 22nd. After that, you'll be asked to confirm your attendance and provide proof of travel! 🤗

If you're interested, kindly fill out the [Summit Interest Form](#) by **April 19, 2024, 11:59PM EST**. ⌚

Once again, we thank you for your commitment and determination in helping us achieve our mission of **changing the world through social enterprise** ✨

Best,

OnCampus Team
